ELISABETH ELLIOT

A Life

An In-Depth Biography on the Life and Work of Missionary Elisabeth Elliot

Elisabeth Elliot (1926–2015) is one of the most widely known Christians of the twentieth and twenty-first centuries. After the death of her husband, Jim, and four other missionaries at the hands of Waorani tribesmen in Ecuador, Elliot famously returned to live among the same people who had killed her husband. In this single-volume biography, Lucy S. R. Austen takes readers on an in-depth journey through the life of Elisabeth Elliot—her birth to missionary parents, her courtship and marriage to Jim Elliot, her missions work in Ecuador, and her private life and public work after she returned to the United States. Through Elliot’s example of love for God and obedience to his commands, readers will ponder what it means to follow Jesus.

• Single-Volume Biography on Elisabeth Elliot: Author Lucy S. R. Austen explores Elliot’s professional articles, books, and radio programs, as well as personal scrapbooks, journals, and letters

SANCTIFICATION AS SET APART AND GROWING IN CHRIST

A Biblical Theology of Sanctification from Genesis to Revelation

God’s holiness and the sanctification of his people are key themes throughout the biblical narrative. In this addition to the Short Studies in Biblical Theology series, Marny Köstenberger explores the topic of sanctification—being set apart by God for holiness—which is the impetus for a believer’s God-given mission.

Surveying the Bible from beginning to end, Köstenberger teaches that sanctification is a trinitarian enterprise: God creates humanity in his holy image, Christ delivers them from sin, and the Spirit applies the benefits of Christ’s saving work, restoring the original image in Christ. At the core, a believer’s union with Christ, and their experience of abiding in him, powerfully propels their growth in holiness.

- Short Studies in Biblical Theology: Part of a series designed to give readers accessible volumes on God’s word—other volumes include Resurrection Hope and the Death of Death, The Sabbath as Rest and Hope for the People of God, and more
- Analyzes the Word “Sanctification” in Both Hebrew and Greek
- Helps Readers Understand How the Old and New Testaments Relate to Each Other

ABOUT THE SERIES:

The Short Studies in Biblical Theology series is designed to help readers see the whole Bible as a unified story culminating in Jesus Christ. In each volume, a trusted scholar traces an important topic through God’s word and explores its significance for the Christian life.

JUSTIFICATION
An Introduction

A Clear and Concise Exploration of the Doctrine of Justification from Thomas R. Schreiner

When we see the fallenness of the world, it is often challenging to understand how sinners can stand before a holy God, but the gospel gives hope—justification that comes through Jesus Christ. This doctrine is essential to the gospel but has sparked countless academic and theological disagreements throughout church history, even contributing to the Protestant Reformation in the sixteenth century.

In this addition to the Short Studies in Systematic Theology series, Thomas R. Schreiner examines the biblical and historical background of the doctrine of justification. Schreiner explores it throughout church history and analyzes both the Old and New Testament teachings. By examining the relationship between justification and other doctrines of salvation—such as redemption, reconciliation, adoption, and sanctification—Schreiner shows how it gives peace, assurance, and joy to sinners through Jesus and hope for life today.

• Accessible: Designed to be short and approachable, this text is an ideal resource for college students, pastors, and thoughtful laypeople
• Part of the Short Studies in Systematic Theology Series: Other titles include The Person of Christ; Glorification; and The Doctrine of Scripture
• Written by Thomas R. Schreiner: A renowned biblical scholar and professor who has authored or edited numerous books, including Run to Win the Prize; The Joy of Hearing; and Covenant and God’s Purpose for the World

ABOUT THE SERIES

The Short Studies in Systematic Theology series aims to equip readers to understand, teach, love, and apply what God has revealed in Scripture. Each volume introduces a major doctrine, develops it from Scripture, and brings it to bear on the Christian life. These accessible volumes draw from both the Christian tradition and contemporary theology, and are perfect for introducing laypeople, pastors, students, and teachers to what God has revealed in his written word.

SCOTT KLUSENDORF

THE CASE FOR LIFE
Equipping Christians to Engage the Culture
(Second Edition)

[Foreword by Lila Rose]

Pro-Life Advocate Scott Klusendorf Answers the Important Question: “What Are the Unborn?”

Pro-life Christians, take heart: the pro-life message can compete in the marketplace of ideas if Christians properly understand and articulate that message. In light of the 50th anniversary of Roe v. Wade, too many Christians do not understand the essential truths of the pro-life position, making it difficult for them to articulate a biblical worldview on issues like abortion, cloning, and embryo research.

This second edition of The Case for Life, now with a substantial amount of additional and rewritten content, provides intellectual grounding for the pro-life convictions that most evangelicals hold.

Author Scott Klusendorf simplifies the debate—the sanctity of life is not a morally complex issue. The debate turns on one key question: What is the unborn? In this timely book, Klusendorf teaches readers what the role of the pro-life Christian should be and how to lovingly and winsomely engage in questions and objections.

- **Timely:** A helpful resource published in light of the 50th anniversary of Roe v. Wade
- **Ideal for Christians or Anyone Curious about the Pro-Life Movement:** Written for those looking to learn more about the pro-life argument and why it matters
- **Logically Grounded:** Klusendorf explains the core of the argument and how to engage in a thoughtful and loving way
- **Features New Content:** Includes 8 new chapters and a new section titled “Pro-Life Christians Survey the Major Thinkers”

SCOTT KLUSENDORF (MA, Biola University) is the president of Life Training Institute, where he trains pro-life advocates to persuasively defend their views. A passionate and engaging platform speaker, Scott’s pro-life presentations have been featured by Focus on the Family, Truths That Transform, and American Family Radio.

When you consider theology, you may think of confusing, lofty terminology that only concerns scholars and pastors. Pastor Jon Nielson has written Knowing God’s Truth, a part of the Theology Basics suite, to make systematic theology clear, meaningful, and practical for those looking for a highly accessible guide to studying God. In this introduction, Nielson defines systematic theology as “theological study done in a highly organized, topical way” and covers the 12 basic categories—Scripture, man, sin, church, and more. He also helps readers learn to apply theology in their everyday lives by integrating invitations to pray and meditate on what they’ve learned.

WORTHY
Living in Light of the Gospel

Written by Theologian Sinclair Ferguson, the Second Book in the Growing Gospel Integrity Series Explores the Christian's Call to Christlikeness

While Jesus offers forgiveness for believers who sin, Scripture makes it clear that Christians are to pursue obedience and holiness. So what does it mean to walk in a manner that's "worthy of the gospel of Christ" (Phil. 1:27), and how should that look in the life of a Christ follower?

In this short, accessible guide, theologian Sinclair Ferguson explains the importance of living worthy of the gospel, why the principle is often forgotten, and how it’s cultivated. Clarifying the difference between biblical obedience and legalism, Ferguson exhorts believers to pursue Christlikeness, offering practical examples from Scripture. The second book of the Growing Gospel Integrity series, Worthy helps Christians, students, pastors, and those preparing for ministry to live as citizens of heaven rather than citizens of the world.

- **Written by Theologian Sinclair Ferguson:** Explains how humility, God’s providence, and even suffering cultivate righteousness
- **Practical Study:** Encourages Christians to intentionally pursue holiness and find satisfaction in the presence and love of Christ
- **Great for Pastors, Students, and Laypeople:** Defines the grammar and language of the Bible and explores the difference between obedience and legalism
- **Part of the Growing Gospel Integrity Series**

ABOUT THE SERIES

Created in partnership with Union School of Theology in Oxford, the Growing Gospel Integrity series invites readers to pursue spiritual growth through four marks of integrity: worthy lives, unity, courage, and humility. Each book examines one of these marks—why they are essential, what they should look like, how the gospel molds these qualities, and how individuals and churches can be shaped by them. Through this series, Christians will be challenged to grow in spiritual integrity, rejoicing in and living by the gospel they profess.

GOD, YOU ARE
20 Promises from the Psalms for Kids

20 Psalms and Devotions to Help Children Learn More about Who God Is

The Psalms are full of “You Are” statements—praises of who God is and what he has done for his people—like “You are my rock and fortress” found in Psalm 18. These short, simple statements provide wonderful opportunities for parents to teach their children about the character of God and reflect on who he is in powerful ways.

In this book, professor, pastor, and father William R. Osborne presents short devotions around the 20 “You Are” statements found in the Psalms. Each devotional is followed by a short prayer that families can pray together as they read. Using a clear and warm style, Osborne provides a distinct connection between the gospel of Jesus Christ and God’s goodness, holiness, and mercy as they are illustrated in the Psalms.

- For Children Ages 4-8
- Encourages Children to Pray: Each devotional comes with a simple prayer that parents and children can read and say together as they echo the words of the psalmist
- Scripture Memorization: Great tool to help children memorize Scripture about the character of God

HOW TO READ AND UNDERSTAND THE PSALMS

Bruce K. Waltke and Fred G. Zaspel

An Introduction to the Psalms from Biblical Scholars Bruce K. Waltke and Fred G. Zaspel

Written over the course of 1,000 years, the book of Psalms is a collection of religious poetry voicing a wide variety of human emotions expressed in different genres—imprecatory psalms, psalms of praise, and more. It has become one of the most popular books of the Bible, but most readers have only a surface level understanding of the Psalms and how it fits into the larger historical and scriptural context.

In *How to Read and Understand the Psalms*, Bruce K. Waltke and Fred G. Zaspel give readers tools to learn how to properly interpret and internalize the Psalms. Developed primarily from decades of lectures by Waltke, they explain the various types of psalms, Hebrew poetry, rhetorical techniques, and more. Armed with these tools, believers will discover how the 150 psalms can further fuel their knowledge and love of God.

- **Developed Primarily from Lectures by Bruce K. Waltke:** A renowned Old Testament scholar, Waltke taught on the Psalms for decades at Dallas Seminary, Regent College, Westminster Theological Seminary, Reformed Theological Seminary, and Knox Theological Seminary
- **Ideal for Pastors, Teachers, and Students:** Readers will be equipped to read, teach, and preach the Psalms with greater confidence
- **In-Depth:** Waltke and Zaspel examine specific psalms verse-by-verse and explain the various ways the psalmists themselves convey their message and how their psalms should be read in light of the biblical canon

Bruce K. Waltke (ThD, Dallas Theological Seminary; PhD, Harvard University) is Professor Emeritus of Old Testament Studies at Regent College and Distinguished Professor Emeritus of Old Testament at Knox Theological Seminary. He is the author of *An Old Testament Theology* and commentaries on Genesis, Micah, and Proverbs. Bruce is a member at Advent Anglican Church in Woodinville, WA.

FRIENDSHIP WITH GOD
A Path to Deeper Fellowship with the Father, Son, and Spirit

Based on John Owen’s Classic Text Communion with God, This Helpful Resource Answers the Question, “What Does It Mean to Be Friends with Jesus?”

In John 15, Jesus says, “I have called you friends.” But what does it mean to be friends with Jesus? In the early 1650s, theologian John Owen attempted to answer this question through a series of sermons, eventually compiled as Communion with God. The book is full of truths about having fellowship with God, but Owen’s work is often a struggle for modern readers to understand.

In Friendship with God, pastor Mike McKinley takes a key idea or insight from Communion with God and clarifies it for readers in each chapter, giving them practical guidance for how to develop fellowship with God—such as obeying the Father’s commands, acknowledgment of sin, and prayer. Perfect for new Christians or for those without a church background, this accessible resource offers an introduction to the God who “wants you to know him and be known by him.”

- Accessible: Written for a broad contemporary audience, perfect for new Christians or for those without a church background
- Based on John Owen’s Classic Text Communion with God: Takes Owen’s work and explains the key themes to a modern audience
- Examines Some Key Attributes of God: Including his Trinitarian nature, love, and grace

Personality and Worldview

[Foreword by Timothy Keller]

An Examination of Worldview, Worldvision, and the Soul by Dutch-Reformed Theologian J. H. Bavinck, Translated into English for the First Time

Modern evangelicals differ on their concept of “worldview.” Many have varying definitions of it and some even consider it to be a wholly unhelpful term in understanding the world around them. This volume by Johan Herman Bavinck examines the relationship between the soul, each human’s unique personality, and worldview—acknowledging the importance of worldview while recognizing the dangers if worldviews are misapplied.

Personality and Worldview by J. H. Bavinck, nephew and student of Dutch-Reformed theologian Herman Bavinck, creates a distinction between a worldvision (which all people have) and a worldview (which only few have in a mature and wise way). Profoundly influenced by the works of St. Augustine, Bavinck challenges readers to allow the gospel to reshape their worldviews and their personalities as they pursue godly wisdom. Translated into English for the first time by James Eglinton, Bavinck’s accessible prose, personal applications, and more will greatly serve pastors, students, and laypeople alike.

- Foreword by Timothy Keller: Keller writes, “I could not be happier that Johan Herman Bavinck’s Personality and Worldview has been made accessible to the English-speaking world. It is an important work, perhaps even what we call a ‘game-changer.’”
- Edited and Translated by James Eglinton: An expert scholar and author on the Dutch neo-Calvinist tradition
- Introduction by the Editor: Provides an overview of the book and a brief introduction to Johan Herman Bavinck’s life
- For Readers Who Enjoy Herman Bavinck: Works as a follow-up text to Herman Bavinck’s Christian Worldview

J. H. Bavinck (1895–1964) was a Dutch pastor, theologian, and missionary to Indonesia. Nephew of Reformed theologian Herman Bavinck, he also served as a professor of missiology at the Free University of Amsterdam and the Theological School in Kampen. Some of his other works include An Introduction to the Science of Missions: Between the Beginning and the End; and The Church Between Temple and Mosque.

James Eglinton (PhD, University of Edinburgh) is the Meldrum Senior Lecturer in Reformed Theology at New College, the University of Edinburgh. He is the author of Bavinck: A Critical Biography, which won the 2020 Gospel Coalition Book of the Year for history and biography.

SHORt OF GLORY
A Biblical and Theological Exploration of the Fall
A Study of How Genesis 3 Influences the Whole Story of the Bible

When looking around at the world, it is easy to see that all is not as it should be. This brokenness within the world and humanity finds its roots in mankind’s rebellion against God. The fall, as recorded in Genesis 3, sets the stage for creation’s need for redemption—ultimately found in Jesus Christ.

In this book, pastor and professor Mitchell Chase argues that in order to understand the fall and recognize its profound impact on later Scripture and the world today, Christians must first understand Genesis 3. Chase identifies themes found in Genesis 3—temptation, shame, messianic hope, and more—and shows how they reverberate throughout the rest of the storyline of Scripture. Understanding Adam and Eve’s fall is crucial to understanding the world as it currently is and the need for redemption through Jesus.

- **Accessible**: Clear and concise writing on one of the most vital chapters in Scripture
- **For Those Interested in Biblical Theology**: Ideal for students, thoughtful lay people, and pastors looking to grow in their knowledge of inner-biblical exegesis and connections
- **Identifies Biblical Themes in Genesis 3**: Including temptation, shame, and messianic hope
- **Written by Mitchell L. Chase**: Professor at the Southern Baptist Theological Seminary and the author of Resurrection Hope and the Death of Death

REDEEMING REASON

A God-Centered Approach

Vern S. Poythress Explains the Laws of Human Reasoning and How to Apply Them in Light of the Gospel

Humans use reasoning to understand and order the world around us. We apply this logic in a variety of contexts, from classifying simple objects to considering complex philosophies. But how should our identity as Christians—made in the image of God (Gen. 1:26–27) with minds renewed by the Holy Spirit (Rom. 12:1–2)—inform our reasoning?

Vern S. Poythress explains how all human reasoning reflects God’s nature. Providing a foundational understanding of God as the source of rationality, Poythress details the 3 fundamental laws of logic—identity, contradiction, and excluded middle—with a strong focus on analogical reasoning. This robust guide explains types of analogy, ethics applied to logic, the use of analogies in the doctrines of God, and more to give readers a renewed perspective on how to use reason as a follower of God.

- **From the Author of Logic: A God-Centered Approach to the Foundation of Western Thought:** This book continues Poythress’s look at reasoning, placing it under the lordship of Christ
- **Great for Students, Pastors, and Christian Philosophers:** Includes helpful visuals and appendices for learning and applying various systems of logic

DO NOT BE TRUE TO YOURSELF

Countercultural Advice for the Rest of Your Life

Countercultural Yet Biblical Advice for High School and College Students, Ideal for Graduation and Birthday Gifts

Most speeches addressed to high school and college students follow a similar theme: march to the beat of your own drum. This may sound encouraging on the surface, but Scripture exhorts believers to submit their lives to the will of God, not their own desires. Christian students need gospel-centered truth to guide them on their journey toward independence.

In this collection of inspiring sermons and graduation speeches, Kevin DeYoung delivers a motivational, biblical call to young people: serve God faithfully—and if necessary, counter-culturally—in the next season of your life. Do Not Be True to Yourself includes practical advice for cultivating a Christ-centered worldview in every area of adult life, including relationships, work, church participation, and spiritual growth, making it a transformational resource for mentoring students.

- **Written by Kevin DeYoung:** Pastor and bestselling author shares relevant wisdom from past commencement speeches and sermons
- **Concise, Engaging Chapters of Countercultural Advice:** Christ-centered guidance that includes developing spiritual habits, prioritizing church attendance, fighting sexual sin, and temptation, and making godly decisions. Perfect for graduation gifts, birthdays, or small group discussion
- **Includes Reading Guide:** DeYoung suggests 12 classic Christian books every person should read, from writers including John Calvin, G. K. Chesterton, and R. C. Sproul

KEVIN DEYOUNG (PhD, University of Leicester) is the senior pastor at Christ Covenant Church in Matthews, North Carolina, and associate professor of systematic theology at Reformed Theological Seminary, Charlotte. He has written books for children, adults, and academics, including *Just Do Something, Crazy Busy*, and *The Biggest Story*. Kevin and his wife, Trisha, have nine children.
