Since launching its book division in 1979 to promote the greatest news in the world through the medium of printed (and now digital) books, Crossway has held a vital place in evangelical Christian publishing.

Crossway views “gospel-centered publishing” as its primary contribution to the larger world of Christian publishing. This means that Crossway’s goals, content, and manner will have a distinctive gospel flavor and ethos, as the company seeks to view everything through the kingdom-shaped work of the resurrected Christ and his lordship over all things.

STRANGE NEW WORLD
How Thinkers and Activists Redefined Identity and Sparked the Sexual Revolution

How did the world arrive at its current, disorienting state of identity politics, and how should the church respond? Historian Carl R. Trueman shows how influences ranging from traditional institutions to technology and pornography moved modern culture toward an era of “expressive individualism.” Investigating philosophies from the Romantics, Nietzsche, Marx, Wilde, Freud, and the New Left, he outlines the history of Western thought to the distinctly sexual direction of present-day identity politics, providing readers with a clearer understanding of the modern implications of these ideas on religion, free speech, and issues related to personal identity. For fans of Trueman’s The Rise and Triumph of the Modern Self, this new book offers a more concise presentation and application of some of the most critical topics of our day.

DISTINCTIVES

- Explores the history of the sexual revolution and its impact on today’s culture
- Gives readers a clear analysis of cultural shifts affecting their personal identity
- A shorter presentation of the points in Trueman’s popular book The Rise and Triumph of the Modern Self

CARL R. TRUeman (PhD, University of Aberdeen) is professor of biblical and religious studies at Grove City College. He is an esteemed church historian and previously served as the William E. Simon Fellow in Religion and Public Life at Princeton University. Trueman has authored or edited more than a dozen books, including The Creedal Imperative; Luther on the Christian Life; and Histories and Fallacies. Trueman is a member of the Orthodox Presbyterian Church.

GOD, TECHNOLOGY, AND THE CHRISTIAN LIFE

Many Christians remain perplexed about modern technology. New iPhones and social media platforms, self-driving cars, and genetic engineering all prove that human innovation is not slowing down for anyone. But as technologies multiply and life in this age becomes more complex, the questions become more stark: What does God think of human technology? Is he threatened by all its power? Is he trying to dismantle Silicon Valley?

In his latest book, journalist Tony Reinke addresses these and other hard questions head-on from the Bible. By turning to 9 key passages and engaging with several theologians and thinkers, Reinke seeks to dismantle 12 common myths Christians often hold about technology, helping them understand the story of where human innovation came from and to embrace the church’s essential role in it.

CULTURAL COUNTERFEITS
Confronting 5 Empty Promises of Our Age and How We Were Made for So Much More

In today’s culture, women and girls are influenced by idols that promise purpose and meaning for their lives—outward beauty and ability, sex, abortion, and gender fluidity. Christian women aren’t exempt from these temptations either, and can even elevate good things like marriage and motherhood to the status of idolatry. Women may sense that these idols are hollow and leave them feeling unsettled, but where should they turn instead?

In Cultural Counterfeits, Jen Oshman encourages women to reject the empty, destructive promises these idols offer and embrace something much more satisfying. She casts a vision for women to experience real hope and peace in Jesus, calling them to recognize their unshakeable and eternal identities in him. This timely and compelling resource will help women find freedom and joy as they explore God’s good design and purpose for their lives.

DISTINCTIVES
• Addresses current topics such as the #MeToo movement, LGBTQIA+, social media, and feminism
• Explains “how we got here,” giving a brief history of the sexual revolution up to today
• Written by the author of Enough about Me: Find Lasting Joy in the Age of Self
• Includes discussion questions

JEN OSHMAN has been in women’s ministry for over two decades as a missionary and pastor’s wife on three continents. She’s the mother of four daughters, the author of Enough about Me: Find Lasting Joy in the Age of Self, and the host of All Things, a podcast about cultural events and trends. Her family currently resides in Colorado, where they planted Redemption Park, an Acts29 church.

POLLY AND THE SCREEN TIME OVERLOAD

Technology can be a helpful tool and source of enjoyment for many families—a way to aid children with learning, to connect with loved ones, and to provide entertainment. But as with many good gifts from God, tech devices are best used in moderation.

In this new picture book, readers meet Polly while on a trip to her grandparents’ farm. During her visit she spends all her time on her new tablet instead of enjoying the farm animals and playing with her cousins. A chat with her grandfather teaches her that, though screen time can be good, it can also keep kids away from better things. Using simple language and beautiful illustrations, children ages 4-8 are introduced to the idea that technology is best enjoyed within boundaries. A TGC Kids book.

DISTINCTIVES
- The second book in a series of picture books from TGC Kids
- Addresses current issues of moral formation and discernment
- One of few books written for children about the influence of technology
- Includes a “Note to Grown Ups” giving adults tips for how to help their children learn self-control and moderation in tech habits

KEEPING YOUR CHILDREN’S MINISTRY ON MISSION

Practical Strategies for Discipling the Next Generation

When building a children’s ministry at a church, there is so much to consider: Which curriculum should we use? How many volunteers do we need? How do we keep parents in the loop? And that’s before we run into stalled check-in computers, missing activity sheets, and floors that need to be vacuumed. While all of the tasks of children’s ministry are important, leaders can get easily distracted with the everyday work of doing ministry and lose sight of the main focus—the gospel.

Writing from personal ministry experience, Jared Kennedy shares a four-fold approach for gospel-centered, missional children’s ministry: hospitality, teaching, discipleship, and mission. This practical resource covers a variety of topics ranging from creating child protection policies to putting together lesson plans to catechism, helpful for children’s ministers and volunteers alike as they disciple children with the powerful message of the gospel.

DEMYSTIFYING DECISION-MAKING
A Practical Guide

On an average day, women make countless decisions: Should I get out of bed or hit the snooze button? What should I have for breakfast? Where should we go for this year's vacation? While some decisions are easy to make, others can leave individuals paralyzed and full of anxiety. As Christians living in an increasingly individualistic society, what's the best strategy for making decisions that honor God while becoming more like him in the process?

Writing from her own experience and pointing to biblical examples, Aimee Joseph offers a biblical and theological framework for decision-making. She explains God's design for humans as decision-makers, the biblical model for making choices, common wrong approaches, practical tips, and what to do when you've made a poor decision. With the philosophy that "as we shape our decisions, our decisions shape us," Joseph teaches readers how to worship and draw closer to Christ through their daily decisions.

DISTINCTIVES

AIMEE JOSEPH has spent many years directing women's discipleship and ministry at Redeemer Presbyterian Church and in Campus Outreach San Diego. She and her husband are currently in the process of planting Center City Church in their neighborhood. You can read more of her writing at aimeejosephblog.

IN THE FULLNESS OF TIME
An Introduction to the Biblical Theology of Acts and Paul

Christians meticulously research the apostle Paul, but often skip a crucial starting point: the foundations of his deeply nuanced theology. Some studies on the book of Acts attempt to touch on every major theme in Paul’s letters, making them difficult to understand or prone to leaving out important nuances. Christians need a biblical, theological, and exegetically grounded framework to thoroughly understand Paul’s theology.

In this book, Richard B. Gaffin Jr. gives readers an accessible introduction to Acts and Paul. Building on a lifetime of study, Gaffin teaches on topics including the redemptive-historical significance of Pentecost; eschatology; and the fulfillment of redemptive history in the death and resurrection of Christ. In the Fullness of Time is an exegetical “textbook” for pastors, students, and lay leaders seeking to learn more about Acts and Paul from a Reformed and evangelical perspective.

DISTINCTIVES

- A valuable study for pastors, theology students, and lay leaders
- An in-depth look at Pauline theology that’s accessible to readers
- Offers a nuanced look at the core of Paul’s thinking

RICHARD B. GAFFIN JR. (ThD, Westminster Theological Seminary) is emeritus professor of biblical and systematic theology at Westminster Theological Seminary in Philadelphia, where he taught for over forty years until his retirement in 2010. He is an ordained minister in the Orthodox Presbyterian Church.

A BIBLICAL CASE AGAINST THEISTIC EVOLUTION

Even Christians strongly debate Scripture’s account of creation, with some declaring that major events in the book of Genesis—from the origin of Adam and Eve to God’s curse on the world—were purely symbolic. Several respected scholars endorse this theory, but is it consistent with the Bible’s teaching?

In A Biblical Case against Theistic Evolution, condensed and adapted from Theistic Evolution, Wayne Grudem and other leading scholars challenge the belief that Genesis is mostly symbolic, rather than a true, historical narrative. Grudem examines 12 specific events in Genesis 1–3 and explains why acknowledging their historicity is critical to understanding the rest of Scripture. He also emphasizes several foundational doctrines, including God’s ongoing involvement in creation, the beginnings of mankind, and the origin of sin and death, to show readers how the theory of theistic evolution undermines essential truths throughout the Old and New Testaments.

A DOZEN THINGS GOD DID WITH YOUR SIN (AND THREE THINGS HE’LL NEVER DO)

Every Christian has experienced days or even seasons of feeling extreme guilt over past or present sins, thinking that God is angry or disgusted with them—sometimes even wondering if they’re truly saved. This often happens when believers fixate on their sins while forgetting what Christ has already done on their behalf at the cross. Sam Storms explains it this way: “What consumes us is what we have done by sinning. What ought to consume us is grateful meditation on what God has done with our sinning.”

In his latest book, Storms addresses this anxiety over sin by reminding believers of the good news of the gospel. Beginning with an explanation of the glory of penal substitution, he walks through 12 things God did with their sin, including forgiving it, passing over it, and casting it into the depths of the sea. He also explains 3 things God will never do with their sin, such as counting it against them. Walking through the Bible’s teaching, Storms helps believers find freedom, joy, and peace in knowing what God has done (and will never do) with their sin through the redemptive sacrifice of Jesus.

DISTINCTIVES

- Addresses a common concern among Christians of all ages
- Explains the important difference between “eternal union” with God and “experiential communion” with him
- Written by the author of more than 30 books, including Tough Topics; Kept for Jesus; and A Sincere and Pure Devotion to Christ

SAM STORMS (PhD, University of Texas at Dallas) has spent more than four decades in ministry as a pastor, professor, and author. He is currently the senior pastor at Bridgeway Church in Oklahoma City, Oklahoma, and was previously a visiting associate professor of theology at Wheaton College from 2000 to 2004. He is the founder of Enjoying God Ministries and blogs regularly at SamStorms.org.

SUFFERING WISELY AND WELL
The Grief of Job and the Grace of God

Why does God allow suffering? The pain of suffering can be overwhelmingly mysterious, but the Bible does provide answers. Throughout Scripture, God allows trials in order to accomplish specific purposes in the lives of his people. When faced with suffering they experience spiritual growth; repentance from sin; or, as in the Old Testament story of Job, the chance to demonstrate devotion to God in the face of inexplicable agony.

In Suffering Wisely and Well, Eric Ortlund explores different types of trials throughout Scripture, revealing the spiritual purpose for each and reassuring readers with God’s promise of restoration. The majority of the book focuses on Job, one of the most well-known yet misunderstood stories of suffering. Orltund thoughtfully analyzes the text chapter by chapter, including the doubt of Job’s friends, God’s response to Job’s questions, and the meaning behind important imagery including references to Leviathan and Behemoth. Suffering Wisely and Well shows readers how to deepen their relationship with God during painful experiences in their own lives and how to comfort others who are hurting.

DISTINCTIVES
- Chapters end with a “What Have We Learned?” summary
- Helps readers understand how to interpret suffering from a biblical perspective
- Teaches Christians how to avoid blame or legalism when addressing the suffering of others

ERIC ORTLUND (PhD, University of Edinburgh) teaches at Oak Hill College in London, England. He previously taught Old Testament at Briercrest College and Seminary in Saskatchewan, Canada, for ten years. He and his wife, Erin, have two children.

REDEEMING OUR THINKING ABOUT HISTORY
A God-Centered Approach

VERN S. POYTHRESS

How does knowledge of the past shape Christians’ view of God, Christ’s redemption, and humanity as a whole? In his new book, Vern S. Poythress teaches Christians how to study and write about the past by emphasizing God’s own command to remember his works and share them with the next generation. Readers will explore concepts such as providentialism, Christian historiography, divine purpose, and the 4 basic phases of biblical history: creation, fall, redemption, and consummation. By learning how to appropriately study history, believers will begin to recognize God’s lordship over all events and how even minor incidents fit into his overarching plan.

NO SHORTCUT TO SUCCESS
A Manifesto for Modern Missions

Trendy new missions strategies are a dime a dozen, promising missionaries monumental results in record time. These strategies report explosive movements of people turning to Christ, but their claims are often dubious and they do little to ensure the health of believers or churches that remain. How can churches and missionaries address the urgent need to reach unreached people without falling for quick fixes?

In No Shortcut to Success, author and missionary Matt Rhodes implores Christians to stop chasing silver-bullet strategies and short-term missions, and instead embrace theologically robust and historically demonstrated methods of evangelism and discipleship—the same ones used by historic figures such as William Carey and Adoniram Judson. These great missionaries didn’t rush evangelism; they spent time studying Scripture, mastering foreign languages, and building long-term relationships. Rhodes explains that modern missionaries’ emphasis on minimal training and quick conversions can result in slipshod evangelism that harms the communities they intend to help. He also warns against underestimating the value of individual skill and effort—under the guise of “getting out of the Lord’s way”—and empowers Christians with practical, biblical steps to proactively engage unreached groups.

- Encourages missionaries to invest in theological education, communication, and technical skills

MISSION AFFIRMED

RECOVERING THE MISSIONARY MOTIVATION OF PAUL

ELLIO CLARK

MISSION AFFIRMED

Recovering the Missionary Motivation of Paul

As a model for Christian missions, the apostle Paul is praised for his sense of urgency when proclaiming the gospel, but are modern churches missing his broader motivation? Paul didn’t view missions as simply accomplishing a goal; he valued affirmation from God, seeking it fervently in every area of his ministry. How can churches today emulate that ambition in their own mission efforts?

In Mission Affirmed, author and missionary Elliot Clark seeks to shift the focus of ministries from mere efficiency to Christ-centered service that prioritizes the will and approval of God. By studying Paul’s ministry, particularly in 2 Corinthians, readers learn that his motivation wasn’t dependent on circumstances but on the Spirit, helping him remain faithful despite suffering and setbacks. This book equips local churches in the same way as they send missionaries into the field, serving together and stewarding the gospel in pursuit of God’s praise.

DISTINCTIVES

- Published in conjunction with the Gospel Coalition (TGC)
- Provides a holistic look at Paul’s ministry, methods, and motivation
- Helps churches vet and send missionaries
- Points out common weaknesses in modern missions and provides practical solutions

ANGLICAN MISSION

Bearing and Sharing the Good News—The Beginnings, the Reformation, and Now (The Reformation Anglicanism Essential Library, Volume 3)

In churches today, a fresh hunger for missions is growing. Replacing therapeutic approaches to ministry, there is a deep desire to actively share the gospel. By studying the Anglicans’ rich history of missionary engagement, from the early church to the present, clergy and laymen can learn which aspects to emulate and avoid.

He seamlessly moves through different time periods, from the sixteenth century to the present, as well as different parts of the world, to see how the gospel connects with culture. Exploring the successes and failures of Anglicans, Nazir-All illuminates for readers twin aspects of missions: embassy (going out) and hospitality (welcoming in).

THE LOVELIEST PLACE
The Beauty and Glory of the Church

Dear, Precious, Lovely. The Bible describes the church in extraordinary ways, even using beautiful poetry and metaphors. How does this compare to how Christians today describe the church? Unfortunately, many believers focus more on its mission, structure, or specific programs than on its inherent beauty. It’s time to spark a renewed affection for the church.

In this Church Questions booklet, Greg Gilbert answers the question Can women be pastors? Gilbert explains why God reserved the office of pastor and elder exclusively for men by examining the structures of authority God established from the very beginning. Focusing on texts in Genesis 1-3 and 1 Timothy 2, Gilbert makes a case for why God’s original design for church leadership is not arbitrary, but part of his good and beautiful plan.

FIGHTING FOR HOLINESS

"True Christianity is a fight," wrote J. C. Ryle in 1877. He argued that from the day of their conversion until the day they die, Christians are called to be soldiers for Christ in a war for their holiness. This inspiring call to action written more than 100 years ago continues to be a source of great encouragement and inspiration for believers today.

In this addition to the Crossway Short Classics series, Ryle explains why the fight for holiness is one of absolute necessity for Christians. Identifying the three main enemies of every believer—the world, the flesh, and the devil—he emboldens them to "either fight or be lost" in their daily battle and offers biblical and historical examples of notable Christian "soldiers." Fighting for Holiness is a bold reminder for believers to daily put on the whole armor of God and train their eyes on Christ.

THE EMOTIONAL LIFE OF OUR LORD

In the search to understand the deity of Christ, Christians might overlook what the Bible reveals about his humanity. Did Jesus really feel emotions? What grieved him? What delighted him? How did Jesus—fully human and fully God—react to the world and people around him? Throughout Scripture, Jesus displays a range of emotions that can help believers understand him more intimately.

In The Emotional Life of Our Lord, theologian B. B. Warfield explains how Christ’s complex emotions and personality proved his humanity. It was necessary for Christ to be born in the likeness of mankind to bear their griefs, carry their sorrows, take their infirmities, and ultimately redeem their lives. In this encouraging book, readers learn to see Christ as a compassionate Savior through his sinless expressions of emotions—from righteous anger to abiding love.

DISTINCTIVES

- Offers a balanced look at Christ’s humanity and holiness
- Gives several examples of Christ’s emotions from Scripture and explains their significance to the gospel
- Foreword by Sinclair Ferguson

THE MISSION OF THE TRIUNE GOD
A Theology of Acts

The book of Acts is unlike any other in Scripture; it has no rival in terms of a book spanning so many different lands. Written by a Gentle, it recounts the birth of the church age and the lives of early Christians that serve as lasting examples for the church today. When believers see how these events worked together to fulfill God’s promises, they gain a better understanding of the Trinitarian heart of Acts.

In The Mission of the Triune God, author Patrick Schreiner argues that Luke’s theology stems from the order of his narrative. He shows how the major themes in Acts, including the formation of the church, salvation offered to all flesh, and the prolific spread of the gospel, connect. Through Schreiner’s clear presentation and helpful graphics, readers follow the early church as it grows “all under the plan of God, centered on King Jesus, and empowered by the Spirit.”

THE ROYAL PRIESTHOOD AND THE GLORY OF GOD

“You are a chosen race, a royal priesthood, a holy nation, a people for his own possession, that you may proclaim the excellencies of him who called you out of darkness into his marvelous light.” —1 Peter 2:9

From Genesis to Revelation, the theme of the royal priesthood runs through the biblical story from the garden of Eden through the priesthood of Israel to Jesus Christ—the true and better high priest. The theme of priesthood culminates with the creation of God’s new covenant people, called out of the nations to be his priests to the nations. In this concise treatment, David Schrock traces this theme of priesthood throughout the Bible and displays to readers how Jesus, the great high priest, informs the worship, discipleship, and evangelism of the church.

A QUEST FOR GODLINESS
The Puritan Vision of the Christian Life (Repackage)

A Quest for Godliness explores the depth and breadth of Puritan spiritual life. Drawing on a lifetime of study, renowned evangelical theologian and church leader J. I. Packer surveys the lives and teachings of great Puritan leaders such as John Owen, Richard Baxter, and Jonathan Edwards. He examines the Puritan view of the Bible, spiritual gifts, the Sabbath, worship, social action, and the family. The Puritans’ faith, Packer argues, stands in marked contrast with the superficiality of modern western Christianity.

In a time of falling vision and decaying values, this powerful portrait of the Puritans is a beacon of hope that calls Christians to radical commitment and action, both of which are desperately needed today. Beautifully written, A Quest for Godliness is a moving and challenging exploration of Puritan life and thought.

GOSPEL-CENTERED DISCIPLESHIP
Revised and Expanded (2nd Edition)

Biblical discipleship emphasizes encouragement, repentance, and spiritual growth—essential parts of the Christian life. However, well-meaning believers often struggle to follow Jesus, unaware their views are too legalistic, licentious, or individualistic. How can churches and Christians develop a healthy, successful path to disciple-making?

In this second edition of Gospel-Centered Discipleship, Jonathan Dodson presents an effective, Spirit-led model for sanctification. Reminding readers that real discipleship is imperfect yet transformational, Dodson encourages Christians to engage more authentically with others as they grow in faith. Drawing from his own failures and successes while following Jesus, Dodson defines discipleship, describes the heart of a disciple, and gives practical guidance for mentor and peer-based discipleship as Jesus intended.

• Clarifies how discipleship can be practical and gospel-centered
• Addresses the Holy Spirit’s involvement in discipleship

HOW SHOULD WE THEN LIVE?
The Rise and Decline of Western Thought and Culture (Repackage)

As one of the foremost evangelical thinkers of the twentieth century, Francis A. Schaeffer long pondered the fate of declining Western culture. Profoundly aware of the similarities modern culture shares with societies that came before, Schaeffer embarked on a journey to uncover the movements that gave rise to modern culture and resulted in the decline of the Christian worldview.

Forty years later, his classic book How Should We Then Live? is as relevant today as it was when it was first published. Schaeffer argues that the erosion of society begins with a shift away from biblical truth. To support this claim, he walks readers through history, beginning with the fall of Rome, through the Middle Ages, the Enlightenment, and up to the twentieth century. This latest edition analyzes the reasons for modern society’s state of affairs and presents the solution: living by the Christian ethic, fully accepting God’s revelation, and affirming the morals, values, and meaning of the Bible.

POLLUTION AND THE DEATH OF MAN
(Repackage)

The earth is home to 7.8 billion people. As this number grows, so does the awareness of a seemingly endless list of environmental concerns threatening their existence—landfills, off-shore spills, toxic wastes, population explosion, and ozone depletion. As each of these concerns are a threat to humanity, how should Christians respond?

Pollution and the Death of Man by Francis A. Schaeffer was first written in 1970, yet it remains relevant as the ecological threats of Schaeffer’s day continue to pose challenges today. Schaeffer studies these contemporary ecological crises through the lens of theology and Scripture, arguing that Christians must return to a profoundly biblical understanding of God’s relationship to the earth and his divine mandate to exercise godly dominion over it.
