5 PURITAN WOMEN

*Portraits of Faith and Love**[Foreword by Karen Swallow Prior]***What the Lives of 5 Puritan Women Teach about Holy Living and Devotion to God**

The writings of the Puritans have had a recent resurgence, but many Puritan women have often been overlooked or misunderstood. As mothers, daughters, grandmothers, and wives, the vibrant faith of Puritan women has much to teach modern day readers.

In *5 Puritan Women: Portraits of Faith and Love*, Jenny-Lyn de Klerk shows how the lives and writings of Christian women encourage the beauty of holy living and provide practical wisdom for the home and the church. Each chapter portrays a different Puritan woman—Agnes Beaumont, Lucy Hutchinson, Mary Rich, Anne Bradstreet, and Lady Brilliana Harley—telling their stories of devotion, lament, and family. By studying their faith journeys, modern readers can learn more about their roles in church history and glean insights into the Christian life.

- **Accessible Introduction:** An affordable, easy-to-read format to introduce readers to the neglected writings of Puritan women
- **Applicable:** Explains the need for, and the value of, studying Puritan women today and highlights spiritual disciplines that these women demonstrate
- **Women in Church History:** Broadens the reader's understanding of women's roles in furthering God's kingdom throughout history
- **Foreword by Karen Swallow Prior**

THE BEGINNING OF THE GOSPEL

A Theology of Mark

Understanding Mark in the Context of the Old and New Testaments

The book of Mark—the first and shortest Gospel written—serves as both a historical and theological account, connecting Jesus to the whole storyline of the Bible. Mark writes against the backdrop of the Old Testament and draws from other New Testament writers, specifically Peter and Paul, to articulate many themes that are found in the rest of the New Testament.

In this addition to the New Testament Theology series, scholar Peter Orr offers an accessible summary of the theology of Mark, examining its relationship to both the Old and New Testaments. Each chapter focuses on a key theological theme—the identity of Christ, the announcement of the kingdom, the call to follow, and more—and explains how it is relevant for the church today.

- **Part of the New Testament Theology Series:** Other volumes include *The Joy of Hearing*; *The Mission of the Triune God*; and *United to Christ, Walking in the Spirit*
- **Ideal for Anyone Wanting to Study the Bible More Deeply:** Perfect for pastors, seminarians, college students, and laypeople
- **Written by Peter Orr:** New Testament lecturer and author of *Fight for Your Pastor*

ABOUT THE SERIES

The New Testament Theology series, edited by Thomas R. Schreiner and Brian S. Rosner, presents clear, scholarly overviews of the main theological themes of each book of the New Testament, examining what they reveal about God and his relation to the world in the context of the overarching biblical narrative.

PETER ORR (PhD, University of Durham) is a New Testament lecturer at Moore Theological College in Sydney, Australia. He is the author of *Exalted Above the Heavens: The Risen and Ascended Christ* and a contributor to *Theology Is for Preaching* and *Romans and the Legacy of St Paul*. BIBLICAL THEOLOGY

A Canonical, Thematic, and Ethical Approach

A Clear, Careful Textbook to Help Bible Students Interpret Scripture

Pastors, thoughtful Christians, and students of Scripture must learn how to carefully read and understand the Bible, but it can be difficult to know where to start. In this clear, logical guide, Andreas J. Köstenberger and Gregory Goswell explain how to interpret Scripture from three effective viewpoints: canonical, thematic, and ethical.

Biblical Theology is arranged book by book from the Old Testament (using the Hebrew order) through the New Testament. For each text, Köstenberger and Goswell analyze key biblical-theological themes, discussing the book's place in the overall storyline of Scripture. Next, they focus on the ethical component, showing how God seeks to transform the lives of his people through the inspired text. Following this technique, readers will better understand the theology of each book and its author.

- **A Clearly Written Guide on Biblical Theology:** Analyzes all 66 books of the Bible, with emphasis on the coherent, unified framework of Scripture
- **Helps Readers Thoughtfully Interpret Scripture:** Provides an essential foundation for a valid theological understanding of Scripture that informs Christian doctrine and ethics
- **Ideal for Pastors, Academics, and Other Serious Students of Scripture:** This clear, thoroughly researched guide can be used as a textbook in seminary classes studying biblical theology or the Old and New Testaments

ANDREAS J. KÖSTENBERGER (PhD, Trinity Evangelical Divinity School) is the theologian in residence at Fellowship Raleigh, a cofounder of Biblical Foundations, and the author, editor, or translator of over sixty books. He and his wife, Marny, have four grown children and live in North Carolina.

GREGORY GOSWELL (PhD, University of Sydney) is academic dean and lecturer in biblical studies (Old Testament) at Christ College, Sydney. He is the author of the commentary *Ezra-Nehemiah* and coauthor of *Unceasing Kindness: A Biblical Theology of Ruth* and *God's Messiah in the Old Testament: Expectations of a Coming King*.

COME AND SEE

*The Journey of Knowing God through Scripture***3 Effective Ways to Study Scripture for an Essential Understanding of Who God Is**

The Bible invites us to know God and have eternal life. That makes reading, understanding, and applying Scripture the most important journey we will ever take, but it can be difficult without a guide to provide direction.

In *Come and See*, Jonathan Pennington helps readers understand what it means to know God from the Bible and details 3 effective approaches to interpreting Scripture. Using the engaging analogy of a road trip, he introduces 3 friends who each have distinct, clear ways of navigating the Bible: informational (understanding genres in Scripture and avoiding exegetical mistakes); theological (reading canonically, traditionally, and creedally); and transformational (focusing on the goal of reading Scripture, our posture as readers, and the role of the Holy Spirit). Pennington gives detailed advice for employing all 3 reading modes, equipping readers to gain wisdom and know God better.

- **Comprehensive:** Explores 3 approaches to studying Scripture—informational, theological, and transformational—and includes exercises to practice each
- **Enhances Personal or Group Bible Study:** Helps readers engage in deeper communion with God by purposefully journeying through his word
- **Ideal for Pastors, Seminary Students, and Laypeople:** With an engaging, conversational style, Pennington teaches deep truths about knowing God and interpreting Scripture

JONATHAN PENNINGTON (PhD, University of St Andrews) serves as professor of New Testament interpretation at Southern Baptist Theological Seminary and pastor of spiritual formation at Sojourn East church in Louisville, Kentucky. He is the author of several books including *Reading the Gospels Wisely*, *The Sermon on the Mount and Human Flourishing*, and *Jesus the Great Philosopher*.

JOHN PIPER

COME, LORD JESUS

*Meditations on the Second Coming of Christ***Bestselling Author John Piper Examines End-Times Theology and Scripture's Command to Love the Second Coming of Christ**

Many people are curious about the second coming of Christ—what it will be like, when it will happen, and what signs will come first. In his latest book, *Come, Lord Jesus*, John Piper addresses all these issues, but stresses that those who *love* the second coming of Christ will receive a crown of righteousness (2 Timothy 4:6-8).

Piper examines key biblical texts around the second coming while encouraging readers toward a Spirit-awakened affection for Jesus's return. He also explores important questions such as, *Could Jesus come at any moment, or must certain events happen first?*; *What does it mean to "Watch, for you know neither the day nor the hour"?*; and *What should we be doing when he comes?* With a special focus on the teachings of Jesus, Paul, and Peter, *Come, Lord Jesus* portrays not only the glory of the revealed Savior, but also the glorification of the resurrected saints.

- **Essential, Christ-Exalting Eschatology:** Piper guides Christians to examine whether they long for the appearing of Christ, and what this event will mean for Christians, non-Christians, and for Christ himself
- **Careful Exegesis:** Piper pays close and precise attention to the words of Scripture, especially with a view to showing how Jesus and Paul were of one mind about the second coming
- **Practical:** The final 5 chapters are devoted to how Christians should live in this age between the first and second appearing of Christ
- **Written by Bestselling Author John Piper:** Author of *Don't Waste Your Life*, *Desiring God*, and *Providence*

JOHN PIPER is founder and lead teacher of desiringGod.org and chancellor of Bethlehem College & Seminary. He served for thirty-three years as the pastor for preaching and vision of Bethlehem Baptist Church in Minneapolis, Minnesota, and is the author of more than fifty books, including *Desiring God*; *Don't Waste Your Life*; and *Providence*.

DOES IT MATTER WHAT I BELIEVE?

How Sound Doctrine Influences Every Area of the Christian Life

Doctrine might be something you've heard in church, but how does it impact your life? Christian doctrine examines what the Bible teaches about particular topics, such as the nature of God, the nature of humanity, how humans should live, and more. By understanding biblical truths, believers have the tools to understand God, interpret Scripture, and live godly lives.

In this addition to the Church Questions series, Samuel James addresses how doctrine influences every area of life for the believer. Many individuals know that their beliefs matter in certain areas of life, such as politics, but don't always understand how key biblical principles like the Trinity, ecclesiology, and the atonement should shape their everyday lives. It is easy to think that doctrine is only for theologians, but in reality, it is essential for everyone—humanity was created to know the truth about God, themselves, and the world.

- **Part of the Church Questions Series:** Developed to give biblical insight into common questions
- **Ideal for New Christians:** Introduction to the relationship between doctrine and living out the Christian life
- **Short and Accessible Format:** Concise, biblical teaching on the church's system of beliefs

ABOUT THE SERIES

Church Questions is a series that seeks to provide ordinary Christians with sound and accessible biblical teaching by answering common questions they have about church life. Each volume offers biblical answers and practical applications with the goal of nurturing healthy church practice and commitment.

SAMUEL JAMES is the associate acquisitions editor at Crossway. He blogs regularly at *Letter & Liturgy* and contributes to the Gospel Coalition website, *First Things* blog, *desiringGod.org*, and others. He lives with his wife, Emily, and their two children in Louisville, Kentucky, where they are members of Third Avenue Baptist Church.

MICHAEL REEVES

EVANGELICAL PHARISEES

The Gospel as Cure for the Church's Hypocrisy

In This Follow-Up to *Gospel People*, Michael Reeves Calls Evangelicals Away from Pharisaism to True Reformation

Scripture warns believers of hypocrisy—called the “leaven of the Pharisees”—and its potential to spread quickly in the church. Outwardly appearing as devout religion, this legalism hides destructive pride, idolatry, and even apostasy. Unfortunately, pharisaism is still a problem among evangelicals today. How does Jesus instruct the church to recognize and defeat one of its deepest theological issues?

In this clear, compelling call to spiritual reformation, Michael Reeves helps believers reject pharisaism and embrace gospel integrity. Studying 3 essentials of Christian doctrine that the Pharisees misunderstood—their approach to Scripture, understanding of salvation, and disregard of regeneration—Reeves shows readers how to embrace a biblical, Trinitarian, and creedal understanding of the gospel necessary for true reformation.

- **Explains the 3 Essential Rs of the Gospel:** Teaches readers about revelation, redemption, and regeneration
- **A Great Resource for Pastors and Congregations:** Addresses the threat of hypocrisy in the church, and tackles in-house issues from partisanship to pragmatism
- **A Follow-Up to *Gospel People*:** Reeves continues his study of timely evangelical topics

MICHAEL REEVES (PhD, King's College, London) is president and professor of theology at Union School of Theology in Bridgend and Oxford, United Kingdom. He is the author of several books, including *Delighting in the Trinity*; *Rejoice and Tremble*; and *Gospel People*.

MARTIN LUTHER

THE FREEDOM OF A CHRISTIAN

A New Translation

[Foreword by Carl R. Trueman]

Martin Luther's Classic Work, Newly Translated by Robert Kolb

Originally published in 1520, *The Freedom of a Christian* is one of Martin Luther's most well-known and enduring treatises. In it, the German Reformer examines Christian ethics and how justification by faith alone impacts the liberty of believers. He famously writes, "A Christian is a free lord of everything and subject to no one. A Christian is a willing servant of everything and subject to everyone." Luther also further develops ideas and doctrines that were key to the Reformation, such as the priesthood of all believers and union with Christ.

This addition to the Crossway Short Classics series features a new translation from the original German to English by renowned Reformation scholar Robert Kolb. *The Freedom of a Christian* reminds modern-day readers that it is ultimately grace that transforms God's people and frees us to love and obey.

- **Accessible:** Helpful for those looking to learn more about Luther and the Christian life, both new Christians and seasoned saints alike
- **Part of the Crossway Short Classics Series:** Introducing modern-day readers to classic works of faith—other volumes include *Fighting for Holiness*; *Heaven Is a World of Love*; and *The Emotional Life of Our Lord*

Gospel Hope and Comfort for the Unexpected Sorrows of Motherhood

[Foreword by Megan Hill]

Where Do You Turn When Motherhood Isn't What You Expected?

Each mother's story is unique. While motherhood brings joy and love, it can also bring pain and heartache. Katie Faris knows well the challenges of parenting. As a mother of 5, she has experienced the trials of motherhood but also knows the comfort of our Savior, Jesus. Through 10 chapters, *God Is Still Good* offers a biblical context for suffering and hope, answers common questions, and addresses prevalent temptations and lies that mothers are likely to face.

THE GOD WHO JUDGES AND SAVES

A Theology of 2 Peter and Jude

An Introduction to the Theology of 2 Peter and Jude from Matthew S. Harmon

Even though Peter and Jude wrote their canonical letters almost 2,000 years ago, the church today still faces similar challenges as their original readers. What do these short, overlooked books have to teach Christians today about God, humanity, and God's redemptive plan?

In this addition to the New Testament Theology series, Matthew S. Harmon examines the unique themes of 2 Peter and Jude as well as their common ground, addressing topics such as false teaching, God's authority, and the new heavens and the new earth. Analyzing the historical and biblical context of both books, Harmon helps readers understand how these key themes apply to them today—giving Christians comfort and motivation in the face of serious challenges and opposition to the gospel.

- **Part of the New Testament Theology Series:** Other volumes include *The Mission of the Triune God*; *United to Christ, Walking in the Spirit*; and *The Beginning of the Gospel*
- **Ideal for Anyone Wanting to Study the Bible More Deeply:** Perfect for pastors, seminarians, college students, and laypeople
- **Written by Matthew S. Harmon:** Author of the entries for 2 Peter and Jude in the *ESV Expository Commentary (Volume 12)* and *Asking the Right Questions: A Practical Guide to Understanding and Applying the Bible*

ABOUT THE SERIES

The New Testament Theology series, edited by Thomas R. Schreiner and Brian S. Rosner, presents clear, scholarly overviews of the main theological themes of each book of the New Testament, examining what they reveal about God and his relation to the world in the context of the overarching biblical narrative.

MATTHEW S. HARMON (PhD, Wheaton College) is professor of New Testament Studies at Grace College and Theological Seminary in Winona Lake, Indiana. He was previously on staff with Cru for eight years and is the author of numerous books, including commentaries on Galatians, Philippians, 2 Peter, and Jude. HUMILITY

*The Joy of Self-Forgetfulness***Cultivating Humility in a Gospel-Centered Way**

There are many misconceptions about what it means to be humble. Some think that being humble means hiding your talents and abilities or being weak and inauthentic. But the Bible paints a different picture—defining humility as a self-forgetfulness leading to joy and explaining that it is a life-giving virtue that frees you from the restricting needs of your ego.

In *Humility: The Joy of Self-Forgetfulness*, Gavin Ortlund encourages readers that humility is not just an abstract virtue but a mark of gospel integrity. Ortlund examines humility both on a personal level and in the context of the church, giving examples of ways to cultivate it—including meditation on the gospel and practicing intentional gratitude. Drawing from Philippians 2 and historical texts such as C. S. Lewis's *Mere Christianity* and Jonathan Edwards's sermon "A Christian Spirit Is a Humble Spirit," Ortlund defines humility in light of the incarnation and death of Jesus Christ, casting a vision for a gospel-centered, humble life.

- **First Book in the Growing Gospel Integrity Series:** Created in partnership with Union School of Theology, with future volumes written by Sinclair B. Ferguson, Joe Rigney, and Conrad Mbewe
- **Written by Gavin Ortlund:** Author of *Theological Retrieval for Evangelicals: Why We Need Our Past to Have a Future* and *Finding the Right Hills to Die On: The Case for Theological Triage*
- **For Small Groups and Individual Study:** Questions at the end of each chapter encourage small group discussion

ABOUT THE SERIES:

Created in partnership with Union School of Theology in Oxford, the Growing Gospel Integrity series invites readers to pursue spiritual growth through four marks of integrity: worthy lives, unity, courage, and humility. Each book examines one of these marks—why they are essential, what they should look like, how the gospel molds these qualities, and how individuals and churches can be shaped by them. Through this series, Christians will be challenged to grow in spiritual integrity, rejoicing in and living by the gospel they profess.

GAVIN ORTLUND (PhD, Fuller Theological Seminary) serves as senior pastor of First Baptist Church of Ojai in Ojai, California. He is the author of several books and runs the popular YouTube channel *Truth Unites*. Gavin and his wife, Esther, have five children.

This TGC Kids Book Teaches Children the Importance and Blessing of the Local Church

God lovingly gathers his people into a wonderful community—the church. The local church is made up of individuals who respond to God's love by worshiping him together and caring for one another.

In this picture book, Meg's parents accidentally leave her at church after the morning service, which makes her feel scared. But Meg is not alone. Various people in the church stay with her until her dad returns. These church friends care for her by giving her things like tissues, cookies, and storybooks, and she learns how to be a church friend to others. With easy-to-understand language and colorful illustrations, this children's book highlights Jesus's command to "love one another," showing kids ages 3-7 that God has provided the local church to be their loving community. Paul Miller, Bestselling Author of *A Praying Life*, on the Transforming Power of Praying Together

Through personal stories and biblical examples, Miller teaches the *why*, *what*, and *how* of praying together. SOCIAL CONSERVATISM FOR THE COMMON GOOD

A Protestant Engagement with Robert P. George
 [Foreword by Ben Sasse]

Carl R. Trueman and Other Christian Evangelical Scholars Examine the Life and Work of Renowned Catholic, Social Conservative Thinker Robert P. George

Robert P. George, McCormick Professor of Jurisprudence at Princeton University, is one of the most influential conservative intellectuals of his generation. Among many honors and accolades, George received the US Presidential Citizens Medal from President George W. Bush and served as chairman of the United States Commission on International Religious Freedom (USCIRF). Though a Catholic himself, George's influence has transcended traditional religious categories to shape evangelical discourse on politics, ethics, and political philosophy throughout his career.

In this thorough introduction and careful analysis of George's work for Protestant audiences, editor Andrew T. Walker gathers essays from high profile evangelical writers and academics—including Carl R. Trueman, Hunter Baker, Jennifer Marshall Patterson, and Scott Klusendorf—to explore subjects such as faith and reason, George's New Natural Law theory, and how to collaborate across ideological lines. *Social Conservatism for the Common Good* helps Christian evangelicals understand George's philosophy and apply it to their own cultural engagement and public witness.

- **Biography of Influential Conservative Scholar Robert P. George:** Explores the breadth of his political philosophy and activism, as well as his relevance to the evangelical community
- **Engaging Political Analysis from a Biblical Perspective:** With a foreword by US Senator Ben Sasse, this book covers important cultural and academic topics including human rights, social and public ethics, and pro-life issues
- **Ideal Resource for Evangelical Scholars and Thinkers:** Written for pastors, students, and those interested in politics, this robust book appeals to readers of Carl R. Trueman's *The Rise and Triumph of the Modern Self*

ANDREW T. WALKER (PhD, The Southern Baptist Theological Seminary) is associate professor of Christian Ethics at the Southern Baptist Theological Seminary and an associate dean in the School of Theology. He serves as the executive director of the Carl F. H. Henry Institute for Evangelical Engagement and as managing editor of *WORLD Opinions*. He is a fellow with the Ethics and Public Policy Center and the author or editor of several books on Christian ethics and public theology. He resides with his wife and three daughters in Louisville, Kentucky.

THE STORY OF ABORTION IN AMERICA

*A Street-Level History, 1652-2022**[Foreword by Robert P. George]*

Tracing the History of Abortion in America by Looking beyond the Laws to the Dramatic Stories and Colorful Personalities of the People They Touched

Fifty years ago, the *Roe v. Wade* Supreme Court decision to legalize abortion-on-demand sparked nationwide tensions that continue to this day. In the decades since that ruling, abortion opponents and proponents have descended on the Capitol each year for marches and protests. But this story didn't begin with the Supreme Court in the 1970s; arguments about abortion have been a part of American history since the 17th century. So how did we get here?

The Story of Abortion in America traces the long cultural history of this pressing issue from 1652 to today, focusing on the street-level activities of those drawn into the battles willingly or unwillingly. Authors Marvin Olasky and Leah Savas show complex lives on both sides: Some sacrificed much to help the poor and others sacrificed the helpless to empower themselves. *The Story of Abortion in America* argues that whatever happens legally won't end the debate, but it will affect lives.

- **A Fair Survey of the History of the Debate:** Opening with a foreword by renowned social conservative thinker Robert P. George, this book explores historic cases and key cultural moments from 1652 to 2022
- **Examines 5 Selling Points Used by Each Side in Different Eras:** Anatomy, Bible, Community, Danger, and Enforcement
- **Chronicles the History of Abortion through Personal Narratives:** Includes the memorable stories of Isaac Hathaway, Susan Warren, Elizabeth Lumbrozo, John McDowell, Hugh Hodge, Madame Restell, Augustus St. Clair, Inez Burns, Robert Dickinson, Sherri Finkbine, Henry Hyde, John Piper, Lila Rose, Terrisa Bukovinac, Mark Lee Dickson, and many others
- **Written for a Diverse Audience:** While particularly useful for Christians who want to understand the history of abortion and its impact on American politics and culture, the book speaks to anyone who cares about abortion

MARVIN OLASKY (PhD, University of Michigan) is a senior fellow of the Discovery Institute and the author of twenty-eight books, including *The Tragedy of American Compassion* and *Lament for a Father*.
